A MESSAGE FROM THE PREMIER OF MANITOBA

On behalf of the Province of Manitoba, it is my pleasure to extend greetings to all those of Inuit descent making the move to our province's urban areas.

Whatever your reason for moving to the city, be it family, friends, school or work, the change you have embarked upon is significant and, at times, overwhelming. It is easy to feel lost amidst the hustle and bustle, but know the Urban Inuit Association is there to help. This association, by establishing a space that is attuned to the needs, challenges and opportunities specific to Inuit peoples, has the resources and information to help make this transition as easy as possible.

For providing this invaluable support, I would like to thank everyone at the Manitoba Urban Inuit Association, as your good work is a testament to the kind of inclusive place we all want Manitoba to be. To everyone making this big move, I wish you all the best as you pursue the goals and dreams that brought you to the city.
