Inuit Summer Student

The Manitoba Inuit Association (MIA) is a non-profit organization with a mandate to enhance the lives of Inuit in Manitoba by promoting Inuit values, community and culture while connecting to services that meet our evolving needs.

We are offering summer student employment to work in our Inuit community and organization. The position is open to Inuit students residing in Winnipeg who are current and returning post-secondary students.

This opportunity offers Inuit students employment for the summer that includes full time work experience, professional development, and cultural educational experiences.

Student Requirements

The Inuit Summer Student program is a supportive and developmental program and we ask that students come with a few tools of their own:

- Ability to work in a team environment
- Effective time-management and organizational skills
- Ability to speak Inuktitut considered an asset
