

MANITOBA INUIT  
ASSOCIATION  
ᐃᓄᓄᓐ ᐃᓄᓄᓐ ᐃᓄᓄᓐ ᐃᓄᓄᓐ

September 27, 2018

Dear Manitoba Inuit Association Member:

I encourage you to attend our Annual General Meeting October 21st at 12:00 pm at the Polar Bear Conservation Center at the Assiniboine Park on 55 Pavilion Crescent in Winnipeg. As a Member of Manitoba Inuit Association (MIA) please come and add your voice to the future direction of our expanding organization.

Over the past few years, we have been working to represent Inuit in Manitoba, as we work to strengthen our organization, and develop services for local and visiting Inuit with partners across Manitoba.

### **Active Members Guide our Organization**

As an Active Member, we invite you to help build our community, to connect to other Inuit, and share your culture. The upcoming meeting is our most important meeting of the year, as it is here that you elect the board that guides MIA into the future.

### **Associate Members are Welcome to Join**

We also welcome all Associate members – some of whom may be your family members. Associate members include Inuit from outside of Nunavut, non-Inuit in Manitoba who share our goals and objectives, and of course Inuit younger than 16. Associate Members receive all the benefits of Active Members – the only difference are they cannot run for the board or vote at the AGM. But their input is always welcome!

After our AGM, we will have traditional food and a free walk/wander through the Zoo free admission for all who attend. It will be a time for celebrating with Members. Thank you for your interest in MIA, and I look forward to seeing you.

Sincerely,

Fred Ford  
President/Board Chair
